ABI LANGDALE

NEW 2026 MODEL

20 year licence from date of purchase

£117,995

ELEGANCE AND COMFORT IN EVERY CORNER

Your retreat

Step inside and you're greeted by a spacious, light-filled **open plan** living area where a luxury wood-burner style **feature fire** becomes the heart of the home — perfect for snuggling up on cooler evenings. Large windows and **full-front sliding doors** bring the outdoors in, giving you uninterrupted views and enhancing the feeling of space.

The well-equipped kitchen offers plenty of workspace with **soft-close cabinets**, **40mm worktops**, and **integrated appliances**, ready to handle everything from simple breakfasts to gourmet dinners. A **free-standing dining table and chairs** make meals social, and **USB sockets** throughout ensure everyone stays connected.

Restful bedrooms provide comfort and convenience — with a **king-size lift-up bed** in the master bedroom and ample storage throughout. The Langdale also includes a separate en-suite and a family shower room, giving flexibility for family and guests.

Outside, quality continues with matt-finish Champagne aluminium cladding and a pre-galvanised twin-axle chassis. **Therma glass double-glazing** and **Residential spec insulation** ensure warmth and comfort. With integrated appliances such as a **dishwasher** and **washing machine**, the Langdale delivers everyday convenience so your time away can be truly relaxing.

Whether you're seeking a peaceful escape, a family holiday base, or a stylish "home away from home," the ABI Langdale blends space, comfort and contemporary design into a truly welcoming retreat.
